

Simple Past - Productive

Make some simple past verbs.

Complete the paragraph with past tense forms of the verbs in parentheses.

Question 1 *All answers in one question, no solution:*

Yesterday, Jim went (go) to the store. He needed (need) to buy some groceries. There was (be) a big sale on cheese, so he bought (buy) several wheels. His reusable grocery bags were (be) very heavy but he managed (manage) to carry them home. He ate (eat) one wheel and put (put) the others into his fridge. He survived (survive) this experience, but barely.

Question 2 *Solution*

All answers in one question, one solution:

Yesterday, Jim went (go) to the store. He needed (need) to buy some groceries. There was (be) a big sale on cheese, so he bought (buy) several wheels. His reusable grocery bags were (be) very heavy but he managed (manage) to carry them home. He ate (eat) one wheel and put (put) the others into his fridge. He survived (survive) this experience, but barely.
